PROHIBITION APPLIES ON SEAS

Sale of Intoxicants on All U. S. Vessels Ordered to Cease.

FOREIGN LINES ARE EXPECTED TO FIGHT

Will Seek Injunction Pending Supreme Court View on Issue.

(By Associated Press.) WASHINGTON, Oct. 6 .- All VC els. American and foreign-owned, are prohibited from having liquor on board in American territorial waters nder an interpretation of the prolibition amendment and the enforcenent act, handed down today by the Department of Justice. Moreover, of he transportation or sale of intexicants on American craft, wherever perated, was held to be inhibited. American territorial waters were construed to include not only those within the three-mile limit of continental United States, but also those within the same limit of the Philippines, the Hawailan Islands, Porto Rico, the Virgin Islands and Alasko. The law would not apply in the Panaman Canal rope as the control of the Panaman Canal rope as the panaman canal ro

specifically exempted by the statute Liquor Sales Cease at Once.

So far as the American ships are concerned, the sale or transportation of liquor will cease at once, or soon as those vessels reach their home ports. In the case of foreign the decision will become as soon as the necessary regulations can be prepared and promulgated by the Treasury Department.

Court actions looking to a final determination of the application of American dry laws to foreign ships contoring American parts was forecast. entering American ports was foreses by both Attorney-General Daugh

Chairman Lasker was ppinion that the first move eign lines would be to seek an inwas reasonable to suppose that ould continue to arrive with liquor on board until there was a final de-cision by the highest court. The Attorney-General said his department would co-operate in every effort to expedite a ruling by the Supreme

Publication of the opinion of the Department of Justice followed White House conference, to which President Harding summoned Mr. Daugherty, Secretaries Hughes and Mellon and Chalrman Lasker. Various phases of the situation were discussed, including the possible results of enforcement upon the international relations of the United States.

Must Enforce Law.

High administration officials, explained there was no course for the executive branch of the government except to enforce the law as interpretal to the course of the law as interpretal to t preted by the legal department. The interpretation was based upon recent decisions of the Supreme Court in a case involving the authority of the United States to Interfere with the transfer of a liquor cargo from one foreign ship to another in an Ameri-

resents Mustapha Kemal Pasha as being tired of the delays incident to the negotiations and conferences and as wanting some undertaking in writing from the allies.

According to the Times corresspondent in Constantinople, one of the chief obstacles to an agreement (Continued on Page 2, Coi. 1.)

A New Record Made

A New Record Made

A New Record Made American merchant marine and would make more necessary enact, ment of the ship subsidy bill if the American flag was to say on the high seas. He believed the rating worth have great influence in the subside when the subside have

hen the subsidy bill was taken up. Believe Will Humper I. S. Marin.
An undoubted effect of the enforcement, Mr. Lasker said, would be to hamper the board in its efforts to build up American shipping to the Orient and South America. He ex-pected Vancouver, British Columbia, to profit at the expense particularly of Scattle and Portland in the Oriental trade and Montreal at the expense of New York in the South American trade. Also he looked for Montreal to gain over New York in

the transatiantic trades.

Irrespective of the decision of the Supreme Court, the Shipping Board chairman said foreign shipping would have an advantage over Americ lines. As an illustration he said that even if the court should hold that foreign ships might not bring liquor into American territorial waters, they could sell up to the three mile limit on their inward voyage and dump overboard any remaining Speaks Neither as "Wet Nor Dry."

In discussing the opinion Mr. Las-ker emphasized that he was viewing the situation as it existed, and that (Continued on Page 2, Col. 2.)
